

Product Change Notification

TE Connectivity

Product Change Notification: P-16-013369

PCN Date: 01-AUG-16

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
Terminals and Splices, SOLISTRAND, PLASTI-GRIP, PIDG

Description of Changes
Discontinuance. Following Part Numbers are going to be discontinuance. And the equivalent parts for each discontinuance parts are proposed in attached pdf file. The equivalent parts may have slight difference in its dimension and/or appearance, but has basically same function and performance. For detail on the difference, please check the drawings. And some of parts will have the change on packing quantities as shown in attached pdf file.
Other attachments:
[change in packing quantity and proposal of equivalent parts](#)

Reason for Changes:
Part status change. Dear Customer, as a result of our continuous strive for improving our internal processes, we hereby inform you about a discontinuance. This discontinuance is caused by extreme unbalance between actual cost and selling price and it is very difficult to improve that unbalance. The proposed equivalent parts has been already certified by quality management system according the standard industry requirements. An internal release based on our specifications will be executed before any parts will be delivered, which guarantees the performance.
