**ezImageX3 Download Included**

**1080P Full HD 60FPS**

### Mighty Scope ClearVue
*8x-25x w/ Dual Gooseneck LEDs and Back Light*

| | |
|---|---|
| **Item #** | 26700-220-505 |
| **Magnification** | 8x-25x \| 40x-120x (on 24" Monitor) |
| **Resolution** | 1920(H) x 1080(V) |
| **Image Sensor** | 2M CMOS Sensor |
| **Working Dist.** | Up to 193mm (7.6") |
| **Interface** | Mini USB - Type A / HDMI |
| **PC Software** | ezImageX3 |
| **Illumination** | Integrated Ring Light, Dual Gooseneck LEDs, and LED Back Light |
| **Package Contents** | • Mighty Scope ClearVue Digital Microscope<br>• 26800B-505 Digital Microscope Stand<br>• Frosted Diffuser Back Light Plate<br>• Dual-Sided Back Plate<br>• 5' Power Cable<br>• USB Cable<br>• Power Supply<br>• Snap Shot Remote Control<br>• 16gb MicroSD Card<br>• 2600mAh 18650 Li-ion Battery<br>• User Guide<br>• ClearVue Post Stand<br>• Free ezImageX3 Software Download |

## Mighty Scope ClearVue on Post Stand
### #26700-220-MNT

- 7" x 8.5" Metal Base
- Vertical adjustment along 10" post

## Mighty Scope ClearVue on Post Stand w/ Gliding Stage XYR
### #26700-220-479

- 10" Post w/ 7"x8.5" Metal Base
- Gliding Stage offers smooth vertical and horizontal movement w/ built in rotating stage, compact design, & metal rack and pinion construction

## Mighty Scope ClearVue on Flex Arm Stand w/ Table Clamp
### #26700-220-557

This arm easily bends and stays put in any position. Tilt, rotate, and position as needed
- 18" Steady Mobile Flex Arm
- 360° Swivel Head
- 2" Table Clamp

## Mighty Scope ClearVue on Flex Arm Stand w/ Magnetic Base
### #26700-220-558

This arm easily bends and stays put in any position. Tilt, rotate, and position as needed
- 18" Steady Mobile Flex Arm
- 360° Swivel Head
- 3" Magnetic Base

## Mighty Scope ClearVue on Spring Balanced Arm w/ Table Clamp
### #26700-220-559

This arm can be raised, lowered, and tilted as needed.
The swivel motion makes it easy to move the ClearVue out of the way when not in use.
- Fully Covered 31" Spring Balanced Arm
- Adjustable Tension Knob

## Compact Gliding Stage XYR
### #26800B-479

- Smooth vertical and horizontal movement w/ Built-in rotating stage
- Compact design (5.3 x 4.7 x 3.6 inch base)
- Metal rack and pinion construction
- Designed to be used with optical and digital microscope systems
