A8N Dual-Pushbutton switch – Discontinuation

In an effort to streamline our product offering and focus on popular models of Omron’s line of Pushbutton switches, OMRON will discontinue the A8N (A8NS / A8ND) models in February 2020. There are no suggested replacements. Please carefully read through this notification. The following details will fully explain the discontinuation; should you have any additional questions, however, please communicate with the Switch Product Manager.
