Internal Molex Qualification Date	July 30, 2020		
Sample Availability Date (Changed Part)	July 30, 2020		
Planned Implementation Date	August 30, 2020		
Method of Identifying Change	Product made after planned implementation date can contain the change		

Before Change

Before Change

- Molex Shannon is currently producing series :-
 - 901980002
 - 901980001
- These 2-part numbers are part of C-Grid Series (90198) transferred from Molex Shannon(6201) to Molex India(8204).
- DU/MLQ Remain same as per 6201 plant
- Packaging specification will change as per 8203 plant.

After Change

After Change

- This production location change is to facilitate better production footprint within our organization. Suitable tooling's / machine would be moved to Bangalore India and products would be stocked during this move at Molex Shannon.
- Molex Shannon and Molex India both plants produces C-Grid 90198 series of crimp terminals. We observed that the packaging specifications are different between the two plants for 90198 series.
- There would be no impact on the product fit, form & function as it is not a product change.
- PPAP will be submitted based on customer specific request.
- Qualification Reports and samples available upon request after the date shown above
