

Product Change Notification

TE Connectivity

Product Change Notification: E-14-019320

PCN Date: 09-MAR-15

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

Per ECR-15-000639 - ECO-15-002249: White non-contact protect

Description of Changes

Per ECR-15-000639 - ECO-15-002249: White non-contact protective cover is replacing all black caps. Kits of 1754625 and 1828456 are all eliminating parts 1374727-3. 1754625-3 and 1828456-4 will be identical to 1754625-1 and 1828456-1 respectively. Eventually, when all stock parts are used up, and all assemblies are shipping with white caps only, a future EC will be processed in order to remove redundant dash numbers. This change is considered by TE Connectivity as a . Location of change, see

Other attachments:

[6374659 Customer Print](#)

Reason for Changes:

Product Improvement. Product improvement. Black protective caps have been shown to be inadequate for protection in certain environments and after certain periods of time may also pose risk of developing static charge. White, non-contact, protective caps are a better solution and shall be included with all assemblies in the future.

Estimated Dates:

Last Order Date (Obsolete Parts Only):	First Date To Ship (Changed Parts Only):
	04-MAY-2015
Last Ship Date (Obsolete Parts Only):	Last Date for Mixed Shipments: (Changed Parts Only):
	31-DEC-2015

The documents listed below are being modified. Related parts that are not explicitly listed on this PCN are not being modified or discontinued as per the PCN. The Last Order Date, Last Ship Date, First Date to Ship Changed Parts and last date for Mixed Shipments apply only to parts explicitly listed on this PCN.

Note: This PCN contains only document changes, these changes do not affect the form, fit or function of the parts referenced.
