Supplementary information on production location for ordering codes stated in OS-PD-2018-074

Objective Supplementary information on production location for ordering codes stated in OS-PD-2018-074

Products affected LT PWSG

Application Pointled

Background

As stated in the PDN OS-PD-2018-074, the old ordering codes (Q65111A9178, Q65111A9370, Q65112A1859) for LT PWSG have been discontinued.

We now would like to update you on the production location related to the new ordering codes as announced in this PDN.

In order to provide greater flexibility, the production related to new ordering codes for LT PWSG have been initially set up for both production location Penang and Wuxi.

Due to those challenging economic times, the possibility to produce in different countries has grown more important. Please be informed that LT PWSG production will be shifted to the Wuxi plant according to the time schedule below. This also applies to ordering codes created after publication of PDN OS-PD-2018-074.

Ordering codes discontinued by 4.11.2019 – only production location Penang:

LT PWSG-AABB-36-46-20-R18-Z	Q65111A9178
