

## Product Obsolescence Notification

PCN # 10451345

To: All active customers  
From: Niki Taylor  
cc:  
Date March 11, 2010

Economic pressures are requiring that Molex prune some of our underperforming products. Molex recognizes that this is an inconvenience for our customers so we will continue to accept additional orders for these products through November 15, 2010 to allow you sufficient time to transition to an alternate product.

**Part Numbers Affected:** See attached file

**Last Order Entry Date:** Nov. 15, 2010

**Last Ship Date:** Dec. 31, 2010

For further information please contact your local sales representative.

**PCN Obsolescence special note:**

If no last time buy orders are received by Molex within 180 days after issue date of the Obsolescence PCN, Molex reserves the right to terminate production at any time at it's own discretion. MOQ and lead time will be negotiated at time of order placement and will be dependent upon material availability. Molex will make all efforts to meet customer order requirements. Orders placed after Obsolescence Notification and subsequently cancelled will be subject to a cancellation charge.
