

Product Change Notification

TE Connectivity

Product Change Notification: P-22-022669

PCN Date: 12-MAY-22

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

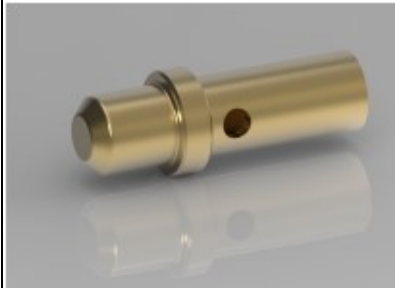

General Product Description:

CONTACT PIN, CRIMP, SIZE 20, FOR TERMINAL JUNCTION

Description of Changes

Manufacturing location change. Contact Pin Part Number 1841-1-5620 will be transferred from TE Connectivity internal manufacture to an Outside Vendor manufacture.

1841-1-5620

Reason for Changes:

Dear Customer, as a result of our continuous strive for improving our processes, we hereby inform you about a transfer of manufacturing process for PN 1841-1-5620. This component is procured as is from TE, or is used in one or more end products procured from TE. The transfer is executed by following a strict transfer procedure, which guarantees no negative influence on quality, ability to supply and form-fit-function of the concerned products. The new manufacturing location is under a certified quality management system according to the standard industry requirements. An internal release based on our specifications will be executed before any parts will be delivered, which guarantees the performance. For any additional concerns, please reach out to your TE customer account manager. Thanks
