

Product Change Notification

TE Connectivity

Product Change Notification: P-19-017506

PCN Date: 13-JUN-19

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

AMPLIVAR STATOR BUCHS

Description of Changes

Following Part Numbers will be improved in the package reel to be more robustness.

Reason for Changes:

Product improvement. Dear Customer, we continuously strive to improve our product quality and we hereby inform you about changing the current package reel. The new package reel guarantees quality, ability to supply and form-fit-function of the concerned products. The new package reel is under a certified quality management system according to the standard industry requirements. An internal release based on our specifications will be executed before any parts will be delivered, which guarantees the performance.
