TL30F Linear Segmented Indicators Discontinuation

Banner Engineering is issuing notification regarding the discontinuation of all TL30F Linear Segmented Indicators (Product Code 60.1414.1040). Current WLS15 Pro models as well as soon-to-be-released TL15 and TLF100 platforms could be potential replacement models for consideration. Channel partners or customers may utilize the Pro Editor software for configuration of WLS15 Pro or TLF100 Pro model to match the functionality of select TL30F models.

Channel partner Last Time Buy for these affected TL30F models will be March 31, 2022. Please notify your customer who have previously purchased the product and work with your Banner application and technical support teams for alternative solutions.

Thank you!
