

Dear Valued Distributors,

### Product Change / Discontinuation Notice (EOL)

In an ongoing effort to keep our product offering streamlined with the latest component technology, we are phasing out our 300 mm AC A-series axial fans with sheet metal blades. The series is being replaced by our innovative HyBlade® fans which feature composite impellers for improved acoustics {up to a 5dB(A) noise reduction}.

Attached is a list of all of the part numbers which are going EOL. Please work with with your local ebm-papst Sales Representative, Regional Distribution Manager, or the Director of Distribution to determine the appropriate HyBlade® equivalent and / or request a sample (we can also help your sales people get the alternative ebm-papst product on the bill of material).

**Last time buys for the original design can be made through September 29, 2017**

### Attachments

- List of PNs which are being discontinued ("ebm-papst 300 mm AC A-Series – EOL.XLSX")

Please let me know if you have questions, or if you need any further information.

Thank you,  
Jeannine
