

Product Advisory

Issue Date: February 5, 2019

Change Type:

Product advisory for removing out-of-date documentation from adapter SKUs.

Parts Affected:

This table lists the documents that are to be removed.

Document Number	Document Description
5972-4868-P1	GSG Broadcom® CacheVault Power Module 02 and CacheVault Power Module 05
5972-4868-P0	Broadcom CacheVault Power Module 05 (CVPM05) Getting Started Guide

Customers can obtain impacted product SKUs from their sales representative.

Description and Extent of Change:

In order to ensure customers receive the most current product information, out-of-date documents will be removed from shipping SKUs.

All current documents are available on Broadcom's *SUPPORT DOCUMENTS AND DOWNLOADS* website:

<https://www.broadcom.com/support/download-search>

Effect of Change on Fit, Form, Function, Quality, or Reliability:

There is no change to form, fit or function. There will be no changes to part numbers or revisions.

Effective Date of Change:

The initiation of the change may be spread over approximately 6 months depending on customer volumes and inventory levels.

Please contact your Broadcom Inc. field sales engineer or Contact Center for any questions or support requirements.
