Attn: Digi-Key Electronics

Subject: Notice of Discontinuation of Attaching MICA to Our Transistor Products

Dear Sirs and Madams,

We would like to inform you of our plan to discontinue attaching MICA sheets to products. Your kind understanding and acknowledgement would be appreciated.

1. Applicable products :

MICA sheet as an accessory to MT100 package transistors.  
Please see the following page for a list of products you purchase that are affected.

2. Reason for discontinuation:

We purchase MICA sheets from overseas suppliers to attach to our products due to low cost and good quality. However, from our ESG management of view, we could not verify that the MICA sheets are free from child labor, so we have decided to discontinue providing these sheets.

3. Termination schedule

- 1) We do not have any substitution of current MICA products.
- 2) We will attach MICA until we ship out all the stock.

Please contact our local representative if you need more detailed information.

Sincerely yours,

Naokata Yoshida  
Power Device Headquarters Power Device Sales Division General Manager  
Sanken Electric Co., Ltd.

We have acknowledged and accepted your notice.
