2-Part Red Silicone Potting Compound

ISO 9001:2008 Registered Quality System. Burlington, Ontario, CANADA SAI Global File: 004008

RTV60-1P

RTV60-1P New Packaging Size

PCN Tracking Number: 001-210629

Notification Date: 29 June 2021

PCN Effective Date: May 2021

Author: Rick Mastroianni **Approved:** Michel Hachey on 29 June 2021

Summary: There has been a temporary packaging change for RTV60-1P. The 3 mL tube of catalyst isn't currently available and has been substituted for 30 mL tubes due to packaging shortages related to COVID-19 disruptions. We temporarily can only offer this product in a larger kit size format consisting of two cans of the potting compound silicone elastomer and one 30 mL tube of tin catalyst.

Affected Product Identification

Product Name: 2-Part Red Silicone Potting Compound

Product Identification: RTV60-1P

Use: Silicone Elastomer
