SIEMENS

Data sheet

Coordinate switch, 22 mm, round, plastic, black, 2 switch positions, horizontal, momentary contact type, with mechanical interlocking, with laser labeling, inscription or symbol Customer-specific selection with SIRIUS ACT configurator (CIN)

product designation design of the product product type designation product line Plastic, black, 22 mm Enclosure number of command points Actuator design of the actuating element principle of operation of the actuating element ingerial source elight source elight source ecolor of the actuating element material of the actuating element plastic shape of the actuating element Extended handle outer diameter of the actuating element Extended handle Ocordinate switches Actuating/signaling element with mechanical interlocking momentary contact type horizontal Product extension optional Ves color of the actuating element black material of the actuating element shape of the actuating element Extended handle outer diameter of the actuating element Ocordinate switches Actuating/signaling element ment Description Subjection Actuating element plastic Extended handle Ocordinate switches Actuating/signaling element Description Subjection Actuating/signaling element Description Subjection Subje		
product type designation product line Plastic, black, 22 mm Enclosure number of command points 1 Actuator design of the actuating element with mechanical interlocking principle of operation of the actuating element momentary contact type direction of actuation horizontal product extension optional		
product line Enclosure number of command points Actuator design of the actuating element with mechanical interlocking principle of operation of the actuating element momentary contact type direction of actuation horizontal product extension optional e light source No contact module Yes color of the actuating element black material of the actuating element plastic shape of the actuating element Extended handle		
In the composition of the actuating element with mechanical interlocking principle of operation of the actuating element momentary contact type direction of actuation horizontal product extension optional I e light source No I contact module Yes Color of the actuating element black material of the actuating element plastic shape of the actuating element Extended handle		
number of command points Actuator design of the actuating element with mechanical interlocking principle of operation of the actuating element momentary contact type direction of actuation horizontal product extension optional • light source No • contact module Yes color of the actuating element black material of the actuating element plastic shape of the actuating element Extended handle		
Actuator design of the actuating element with mechanical interlocking principle of operation of the actuating element momentary contact type direction of actuation horizontal product extension optional light source No contact module Yes color of the actuating element black material of the actuating element plastic shape of the actuating element Extended handle		
design of the actuating element with mechanical interlocking principle of operation of the actuating element momentary contact type direction of actuation horizontal product extension optional No e light source No contact module Yes color of the actuating element black material of the actuating element plastic shape of the actuating element Extended handle		
principle of operation of the actuating element momentary contact type direction of actuation horizontal product extension optional • light source No • contact module Yes color of the actuating element black material of the actuating element plastic shape of the actuating element Extended handle		
direction of actuation product extension optional • light source • contact module color of the actuating element material of the actuating element shape of the actuating element Extended handle		
product extension optional		
● light source ● contact module Color of the actuating element material of the actuating element shape of the actuating element Extended handle		
• contact module Color of the actuating element black material of the actuating element shape of the actuating element Extended handle		
color of the actuating element black material of the actuating element plastic shape of the actuating element Extended handle		
material of the actuating element plastic shape of the actuating element Extended handle		
shape of the actuating element Extended handle		
<u> </u>		
outer diameter of the actuating element 30.5 mm		
marking of the actuating element Any inscription, text or symbol, can only be ordered via SIRIUS ACT configurator/Configuration Identification Number (CIN)		
type of unlocking device push-to-unlatch mechanism		
number of switching positions 2		
Maximum deflection angle [°] 30°		
Front ring		
product component front ring Yes		
design of the front ring high		
material of the front ring plastic		
color of the front ring black		
General technical data		
protection class IP IP65, IP67		
degree of protection NEMA rating 1, 2, 3, 3R, 4, 4X, 12, 13		
shock resistance		
• according to IEC 60068-2-27 sinusoidal half-wave 15g / 11 ms		
vibration resistance		
• according to IEC 60068-2-6 10 500 Hz: 5g		
operating frequency maximum 2 400 1/h		
mechanical service life (switching cycles)		
• as operating period per direction of actuation typical 500 000		
reference code according to IEC 81346-2		

Substance Prohibitance (Date)	10/01/2014	
Safety related data		
B10 value with high demand rate according to SN 31920	250 000	
proportion of dangerous failures		
 with low demand rate according to SN 31920 	20 %	
 with high demand rate according to SN 31920 	20 %	
failure rate [FIT] with low demand rate according to SN 31920	100 FIT	
Ambient conditions		
ambient temperature		
 during operation 	-25 +70 °C	
during storage	-40 +80 °C	
environmental category during operation according to IEC 60721	3M6, 3S2, 3B2, 3C3, 3K6 (with relative air humidity of 10 95%)	
Installation/ mounting/ dimensions		
height	30.5 mm	
width	30.5 mm	
shape of the installation opening	round	
mounting diameter	22.3 mm	
positive tolerance of installation diameter	0.4 mm	
mounting height	75.6 mm	
installation width	30.5 mm	
installation depth	25.5 mm	
Certificates/ approvals
