**Subject: Discontinue Notice of [SML-LX3636VSC-TR](#) & [SML-LX3636VDC-TR](#)**

As part of an ongoing effort to offer the most appropriate solutions to user interface technology applications, Lumex is making the decision to discontinue the following part numbers from our current product offering because of the low yield of UV LED chips:

**EOL Products :**

**[SML-LX3636VSC-TR](#)**

**[SML-LX3636VDC-TR](#)**

Discontinue above part immediately.

**Replacement product (High yield, longer lifetime) :**

**[SML-LXF3535UVCC10](#)**

If you have any questions, feel free to contact your Lumex representative for more information.

(END of the EOL)

Best Regards,

Lumex Product Management Team
