Subject: 3M™ Bumpon™ Protective Product SJ5302 Clear SKU Change

To Our Valued Customers:

You are receiving this letter because your company has purchased the above mentioned product during the last two (2) years. Please circulate this notice to the people in your organization who need to know of this change.

In keeping with 3M's commitment to continuously improve product service, we will move to change the SKU for 3M™ Bumpon™ Protective Product SJ5302 molded shape as noted below with the phase out of the current SKU and phase in of a new SKU with a different sheet size and packaging configuration as noted in the chart below. The product specifications and performance of the Bumpon product SJ5302 molded shape will remain unchanged.

Final orders for the phase out Bumpon product SJ5302 SKU will be accepted through November 15, 2019. After this date, all new orders will need to reflect the new phase-in SKU/ SAP# noted below. The Bumpon product SJ5302 unit price will not be impacted by this change.

| Action | Product ID | SKU | SAP ID# | Description | Packaging Configuration |
|-----------|------------|----------------|------------|---|---|
