Aries Electronics, Inc.

RoHS 3 (EU Directive 2015/863/EC)

Aries Electronics Incorporated declares that, to the best of our knowledge, all electrical, electronic and mechanical products (listed on our website as RoHS-compliant) sold and or supplied by the company, are in compliance with RoHS 3 EU Directive 2015/863/EC of the European Parliament and Council on the restriction of the use of certain hazardous substances in electrical and electronic equipment. This is a continuation to the previous RoHS EU Directive 2002/95/EC and RoHS 2 EU Directive 2011/65/EU.

Aries Electronics Incorporated makes this declaration based on the material testing and material certificates from our material and part suppliers for the specific parts and or products manufactured, sold and or supplied. To the best of our knowledge, the substances listed in the table below in the concentrations by weight in homogeneous materials are not present, or were added, to our parts or products in amounts greater than the value listed in the table below.

For any electrical and electronic product listed on our website that is not documented as RoHS compliant, contact our Sales Department for a confirmation and quotation of a RoHS compliant part.
