RELEASED

Before Change

- New exterior carton has nearly twice the thickness of previous carton for tray packaging
- Connectors are carefully layer packed in an inner carton which provides another corrugated layer of protection for the product during shipment.

After Change

Overview

- Molex is pleased to announce an upgrade in packaging from trays to bulk/layer packaging for Eurostyle terminal blocks. The enhancement improves the durability of the packaging to assurance that are delivered undamaged and not disheveled.
- As a result of the new bulk packaging, the delivery unit for each part number, may not be aligned with the former tray packaging quantity.
- Please review the New Quantity Template send with this notification for changes to the delivery unit.
- Product Impact
 - This packaging change has "no impact to fit, form or function" of the parts
- Part Number/Series Impact
 - There are multiple series impacted by this change. Please review the parts list included with this notification
- Qualification Reports are available upon request after the date shown above

Product Change Notification (PCN)
