Dear Mr. Durand Lau:

Any information and documentation involving the UL Leaf Mark are provided on behalf of UL LLC or any authorized licensee of UL LLC.

UL's Energy Efficiency investigation of your product has been completed under the above project number and the subject product was determined to comply with the applicable requirements.

This authorization is effective from the date of this notice and serves as an authorization to apply the UL Leaf Energy Verified Mark.

Products that bear the UL Leaf Mark shall be identical to those that were evaluated by UL and found to comply with UL's requirements. If changes in construction will be implemented that could potentially alter the energy consumption of these products, these must be reported to UL for review of conformance with UL's requirements and continued use of the UL Leaf Mark. If changes in construction are otherwise discovered, appropriate action will be taken for products not in conformance with UL's requirements and continued use of the UL Leaf Mark may be withdrawn.

Thank you for your business, and we hope UL will continue to be your Energy Efficiency partner.

Sincerely,
