Sept 10th 2019

Subject: Product Termination Notification MLX10407EDF-AAA-000-RE

We regret having to inform you that Melexis will stop the production of above-mentioned products due to our supplier Unisem Batam terminating their operations (cfr. our communication, dd. July 2019)
The current demand situation does not justify a requalification at another supplier at commercially reasonable costs, so we are currently not able to offer you a Last Time Buy.

Sincerely,

Dirk Leman
