

To whom it may concern:

**Notification of change to mounting clip for WL-10-PP/NP liquid leak sensors.**

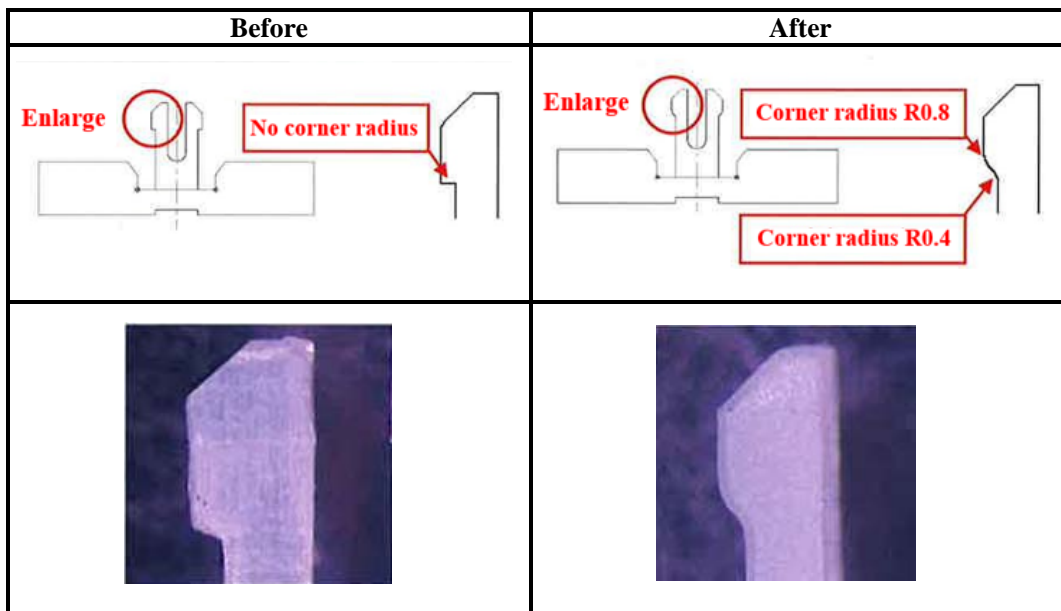

This letter is to inform you of upcoming changes to the mounting clip used on the WL-10-PP and WL-10-NP series liquid leak sensors.

**1. Affected Products:**

**WL10- \*P-\***

**2. Change:**

Change in shape of the mounting clip used to attach the sensor to the mounting bracket.  
The change will have no effect on the specification, performance or dimensions.

**3. Reason for change**

Easier installation and removal of the sensor from the mounting bracket.

**4. Effective date:**

May 5<sup>th</sup> 2019.

(This date is subject to change)
