Product Change Notification: E-17-016930

PCN Date: 27-NOV-17

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
1924126, 21-way unsealed hybrid 1-piece female connector.

Description of Changes
Reference previous PCN P-17-014817 previously submitted. This is just notice that the drawing is now being updated to be able to proceed with PPAP submissions. The change is adding core-out to the large secondary lock that were present on previous housings from original mold. These core-outs do not affect the fit or function of the product and parts are completely forward and backward compatible. These core-outs are strictly to match previous parts for TE internal manufacturing stability.

Reason for Changes:
Product Improvement.
