

10W Wireless Fast-Charging Stand with International AC Adapter, Black

MODEL NUMBER: U280-Q01ST-P-BK

10-watt wireless phone charger transfers battery power to your Qi-enabled device without connecting a cable between them.

Features

Wireless Cell Phone Charger Delivers up to 10W for Apple and Samsung Phones

Who wants to plug and unplug cords when you just want to charge your cell phone? The U280-Q01ST-P-BK makes charging more convenient by doing it wirelessly. Just place your Qi-certified device, such as an iPhone, Pixel or Galaxy smartphone, on the charging stand. That's all there is to it. This wireless phone charger even works through most protective phone cases up to 5 millimeters. Note: Please remove any magnetic or metal objects from your phone or case before charging.

Compatible with Qi-Certified Cell Phones to Ensure a Safe, Flawless Charge

The U280-Q01ST-P-BK charges all Qi smartphones from Apple, Sony, LG, Samsung, Nokia and other popular brands in either portrait or landscape orientation. It protects your expensive device from overheating and overcharging that could lead to internal damage. An LED glows blue to indicate the charging process is underway and flashes blue to indicate any charging error.

Compact Stand Fits Comfortably on Any Counter, Table or Workspace

The portable lightweight stand is just four inches in height, so it takes up hardly any space on your desktop or bedside table. An included international power supply connects the charger to a convenient AC outlet.
