

Product Change Notification

TE Connectivity

Product Change Notification: E-18-016938

PCN Date: 26-NOV-18

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
AMPSEAL Sealed Connector System - Plug assemblies

Description of Changes
This PCN is an addendum to previous AMPSEAL PCN numbers E-18-008460 and E-18-016185: In an effort to maximize our capacity, our intent is to move the current molding and assembly of AMPSEAL plugs from the current TE molding and assembly manufacturing locations to a new single TE manufacturing location in Empalme, Sonora, Mexico. This second TE facility is located in the same compound as the current TE facility.

Reason for Changes:
This product line has seen extensive demand increases from our customer base. TE is investing to ensure that the current situation is corrected, as well as for the future, consistent with our goal of on-time delivery of defect free products. This move will help drive improvements in deliveries to our customers and increase output of AMPSEAL products. If the customer requires a PPAP submission, please place the request with ict-ppap-request@te.com. If there are any further questions or concerns, please contact your TE Sales Contact or Account Manager directly

Estimated Dates:	
Last Order Date (Obsolete Parts Only):	First Date To Ship (Changed Parts Only):
	31-DEC-2018
Last Ship Date (Obsolete Parts Only):	Last Date for Mixed Shipments: (Changed Parts Only):
	No Mixed Shipments
