RELEASED

After Change

Overview

- Molex is building a new mold to make 1261-R4 housings in Lincoln. The new mold will replace the current worn tooling.
 - This change supersedes PCN 500957 which originally announced these parts were being made obsolete
 - There will be no change in fit, form or function as a result of using a new mold.
- Part Number Impact
 - 3091061 & 3091062
 - Assembly parts affected are listed on the attached impact report
- Qualification reports and samples from the new mold will be available after May 31, 2017
