

Slide Beam2424-136-Blue (Single Pack)

SKU: 60830 Weight: 84.00 Gram

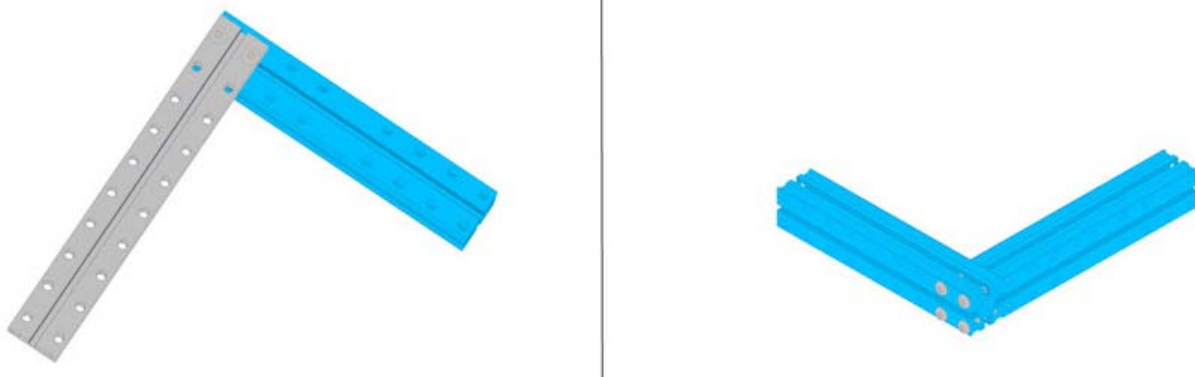

What is Slide Beam2424-136-Blue?

Slider Beam2424-136 is a frequently-used mechanical part of Makeblock platform. There are various mounting holes and a threaded groove on the plane of this beam which allow you to assemble on other structures easily. This slider beam also comes with threaded holes on its two ends.

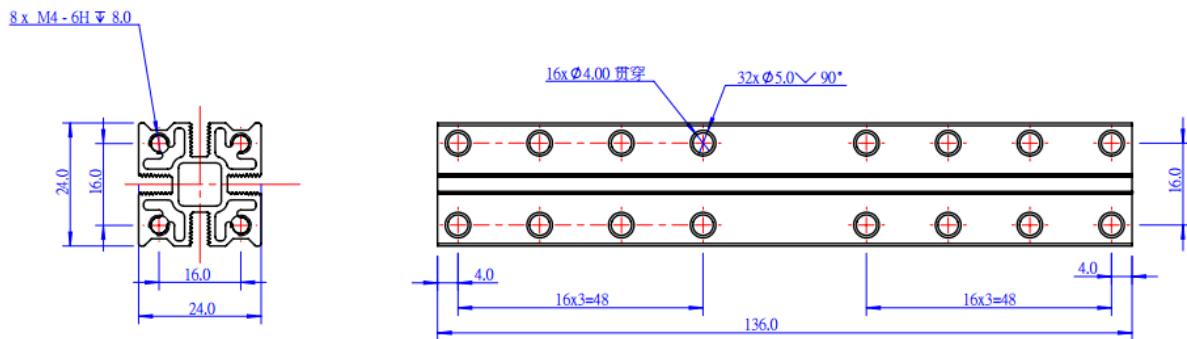

Features

- ? Compatible with most Makeblock mechanical components
- ? Made from heavy-duty 6061 aluminum extrusion with anodized surface for long-time use
- ? Cross-section area 24x24mm, length 136mm
- ? High wear resistance and high intensity
- ? Strong rigidity
