

February 15, 2022

Dear Customers,

Garmin Canada Inc. (formerly Dynastream Innovations) appreciates your usage of ANT as the ultra low power wireless solution for your products. We pledge to support your product efforts and invite your feedback.

This letter is to notify you as per the Garmin Canada End of Life Policy, we are initiating the EOL process for the variants of the D52 module series containing an accelerometer. This includes the D52QD2M4IA-A REEL, D52QD2M4IA-A-TRAY, D52QD2M6IA-A-TRAY and D52QSKM6IA-A-TRAY, as well as the D52DK2 and the D52EXT1 development / evaluation kit.

In order to satisfy any requirements you may have Garmin Canada is offering a non-cancelable and non-returnable lifetime buy for these D52 module product SKUs. . Lifetime buy orders must be received on or before August 15, 2022, and all shipments will be made prior to February 15, 2023

Please contact us as soon as possible to review any anticipated module requirements, including expected dates and estimated quantities.

If you have any questions or need additional information, please contact your local distributors or ANT sales support.

Best regards,

The ANT Team
