

Nature of Change: EOL / Replacement Notification

Date of Notice: 12.7.2021

Affected Model:

Product Name:	CHERRY G80-11900 Touchboard (PS/2 variants only)
Part Number(s):	G80-11900LTMUS-0; G80-11900LTMUS-2

This notice is to inform you that the G80-11900 Touchboard with PS/2 connections is no longer available for order.

The last day to request an RGM will be January 7, 2021.

Successor Model:

- No direct successor model is available with PS2 connections.
- Customers may wish to evaluate:
 - CHERRY ML 4420, PNs G84-4420LPBEU-0 (white), G84-4420LPBEU-2 (black) for compatibility to their application (PS2 adapter provided).
 - G80-11900 models with USB connectivity (G80-11900LUMEU-0, G80-11900LUMEU-2) will continue to be available.

For additional product information, please contact Cherry directly or refer to our website (<https://cherryamericas.com>).

Orders are subject to product availability and in compliance with Cherry Americas terms and conditions.

We understand that product transitions are difficult for customers and sincerely appreciate your assistance with this notification.

Please reach out to Terri Struthers, Distributor Account Representative, for any support you need to complete this transition.
