

Notification of Product Discontinuation

Notification Number: AVE-16101

Notification Date: 10/19/2016

Product Description:

26505-ESL-5D – ESD Safe Magnification Lamp

Product Replacement:

26505-ESL-XL5 (product available December 2016; pre-orders being accepted now) – please see link below for additional info:

<http://www.aventools.com/product/mighty-vue-pro-5-diopter-magnifying-lamp-with-color-temperature-controls-esd-safe/>

Reason for Discontinuation:

Aven continues to develop new Magnification Lamps to keep up with customer demand. The new 26505-ESL-XL5 represents the latest in LED lighting adjustability and light temperature control, as well a sleek new redesign. Due to these changes, the 26505-ESL-5D obsolete.

Last Ship Date:

As of this notice, 0 individual units remain. New orders will no longer be accepted. Aven scheduled this roll-out to coincide with inventory levels, however unexpected demand of the 26505-ESL-5D out paced company forecast levels, thus forcing this discontinuation notice earlier than anticipated.

Aven Contact:

Please contact your Aven Sales Rep or Aven Customer Service for additional information – 734-973-0099 x 207 or info@aventools.com
