Optimize heavy|mate F Series

Dear Sir or Madam,

We continually strive to improve our products. Therefore we are taking constantly direct measures to optimize our product range.

Due to this optimization the frames of the heavy|mate F series will have a coding, see pic in attachment and the p/n.

The actual frames will be replaced by the new ones after using up existing stock.

With best regards,

Amphenol Tuchel Industrial GmbH

Volker Haeusler
Product Manager
