

Product Discontinuation

August 22, 2014

CUI regrets to announce plans to obsolete our AMT10 series line driver cables effective immediately. We will accept last time buy (LTB) orders until November 21, 2014 with a final shipment date of February 23, 2014. Acceptance of LTB orders is subject to product availability and at CUI's discretion. Every effort will be made to fulfill these orders. In the event that we have unforeseeable supply constraints, we reserve the right to short ship the order.

Obsolete Part Number	Recommended Alternatives
CUI-102E-10	AMT112Q
CUI-103E-10	AMT113Q

Purchase orders for these products will be considered non-cancelable, non-returnable (NCNR). Products purchased during this end-of-life transition period will be fully covered by CUI's standard product warranty. Failure analysis will be limited to verification of failure and remedies will be limited to credit of the product purchase price.

CUI greatly appreciates and values your partnership. We apologize for any inconvenience this announcement may have caused and we are eager to work with you to find an alternative solution for your application.

Please contact your local CUI Representative for any questions or concerns.
