

Product Change Notice

Classification of change:	End of Life
Description of change:	Product Discontinued / No Longer Manufactured
Reason for change:	Multiple components, including the main CPU (Atheros AR9331), are no longer available
Expected influence on quality, reliability, and performance:	There will be no effect on the quality, reliability, or performance. There are no changes to form, fit, and function of the devices.
Products affected:	<ul style="list-style-type: none">• Arduino Yún Rev2 (ABX00020)
Time schedule:	Start shipment date: n/a Last time buy date: Sep 30th, 2021 Last time shipment date: n/a
Sample availability:	n/a
Qualification data:	n/a
Issued by:	Head of Makers Business Unit: Alessandro Ranellucci
Contact information:	For questions or comments, please contact your Arduino sales representative.

Notice

Despite stable market demand for the Arduino Yún Rev2, we're sorry to announce that due to unavailability of some components including the main CPU originally manufactured by Atheros (AR9331), the product cannot be manufactured at this time and has entered the end of life. Some limited quantity may still be in stock and is offered as a last time buy for a limited period only, on a first come first served basis.

Open-source software and documentation related to Arduino Yún Rev2 that is currently published on the Arduino website will remain available at the following address:
