

# Product Change Notification

## TE Connectivity

Product Change Notification: P-16-013166

PCN Date: 17-JUN-16

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:  
MKII / SSC Additional Assembly Capacity

Description of Changes  
TE Connectivity (TE) would like to inform our customers that additional assembly capacity is being added in the existing manufacturing location in order to meet increased global demand for this product.

Reason for Changes:  
Product improvement. There is no change to the product form, fit or function. If you require an updated PPAP, please contact your local TE Sales Representative so that a request can be entered on your behalf.
