**RE: Steute / ZF Electronic Systems Pleasant Prairie LLC Contract**

Dear ZF Distribution Partners:

The contract between ZF Electronic Systems Pleasant Prairie LLC (ZF) and Steute expires on June 30, 2022. At the point of expiration of the contract, ZF will no longer be the exclusive reseller of Steute Wireless products or Steute Automation products. The parts will be removed from the ZF Distributor Price Book and an updated version will be sent out.

All orders between now and the end of the agreement are NCNR. Please place last orders by May 13, 2022. If you wish to return any product (products must be price book items) please have your returns communicated to ZF by May 27, 2022. Pricebook items are listed below in this document. Please note all part numbers beginning with prefix "STE-" are affected.

The Steute products did have some success in the market and we encourage you to still consider carrying this line. You are welcome to contact Steute directly to discuss being a distributor for their products.

Jeff Cull  
General Manager, Steute Technologies USA

*901 Ethan Allen Highway, Suite 102  
Ridgefield, CT 06877
