

Notification No: cn072143 Date: 5-31-2019

Change Information
For Notification Only
Product Change Class: D
Description of Change:

To ensure our portfolio is aligned with market expectations we are retiring some products as listed in this announcement.

Due to the advanced age of some of these product designs, piece part availability is a concern. Therefore, orders from this point forth will be Non-Cancellable and Non-Returnable (NC/NR) and orders will be filled on a first come first filled basis.

For these End of Life (EOL) codes, lead-times have been extended to 26 weeks.
LTB orders after 6/30 will be at 30% price premium.

We are requesting your last buy purchase orders be placed on or before November 1, 2019. Delivery on all orders must be taken by May 1, 2020.

Please contact your Global Account Manager or Sales Rep if you have questions about any of the details outlined in this action. GE representatives will be available to assist you with migration to alternate parts as necessary.

Please see attachment for a complete list of EOL codes.
Estimated Implementation Date: 2019-06-05

Material Affected

Operation Old Comcode Old Part Number New Comcode New Part Number New Qty New Assy BD Ref

Products Affected

Product Type: DC-DC Converter (Standard Product)
