Subject: Discontinuation of LOCTITE® 3900 11OZ

Dear Valued Customer:

We are writing to inform you that effective immediately, Henkel will no longer be able to supply the product(s) shown in the table below. While we understand the importance of these materials to your operation, certain factors have made it necessary to discontinue production and we regret any inconvenience this may cause.

IDH	Object description
135277	LOCTITE® 3900 11OZ

The reason for the discontinuation of these products is due to:

- A key manufacturer in our supply chain has notified us that it will no longer perform these manufacturing operations

We have limited supply to support last time purchases of these products. If you would like to place a last time order, please order as you normally would with your Henkel Customer Service Representative.

We recommend you speak with our Technical Customer Service department to verify the suggested replacement is appropriate for your needs. Henkel has a wide range of products, and we may have another product in our portfolio that is best suited for your application.

Please contact your local account manager for additional support.

Best regards,

Teresa Love
Product Manager
Henkel Corporation

Derek Wyatt
Global Product Manager
