

PRODUCT CHANGE NOTIFICATION COVERSHEET

CTS Part Number: Series 741X163 Product Description: Resistor Networks

Customer: Various Customer Part Number: Various

Change Notification Only - No Customer Response Required

Customer Authorization Required - Please Confirm Acceptance by E-Mail

Reason for PCN: Discontinue and Last-Time-Buy notification for C8 [8mm Carrier Tape] packaging option used with 741X163 product type.

Description for Change: Due to the complexity of different packaging, we plan to discontinue the C8 packaging and will standardize with 12mm carrier tape packaging for series 761X163 resistor network products.

Affected CTS part numbers are listed on next page. Customers should contact CTS if they have part numbers recorded that are not contained in this list.

Last Buy Date - September 30, 2020.
Last Ship Date - December 31, 2020.

Change Instructions: CTS plans to discontinue C8 packaging packaging option for 741X163 type product. Standard packaging will be 12mm width carrier tape. There are no changes to form-fit-function of 761X163 devices.

Since we will standardize on 12mm tape for 741X163, the C12 [12mm] packaging option will also be removed.

CTS ISR/CSR team will support issuing customer notifications for the change.

Updated data sheet for 74x Series can be found at web-link:
<https://www.ctscorp.com/wp-content/uploads/74x.pdf>

Implementation Date: 4/1/2020

Notes: Change does not affect form-fit-function of device.
