Product Change Notification: E-17-008413

PCN Date: 21-JUN-17

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
AV3.5 mm compressive connector, chamfered

Description of Changes
Change the material for some contacts 1.right/mic contact 2.ground contact 3.switch contact

Reason for Changes:
Product Improvement. For 2173014-1 ,no orders in the past for a long time, so we need to prepare the material for the components , here we got a big issue about the raw material purchase , the MOQ for two kinds of material should be 3 tons, but for the whole forecasts in the next 4years, that we only require no more than 100kgs for each material. We need to look for the similar material.
