**Description and purpose of change:**

Due to external influences, and for environmental purposes, Würth Electronics Midcom will change the packaging material and standard packaging quantity. The change is to eliminate the use of PVC material shipping trays and use environmentally friendly and efficient packaging.

There will be no change in form, function, quality or reliability of the product.

**Detail of Change:**

Tray Quantity will change from: 50 to: 72

Box Quantity will change from: 850 to: 360

PKG Specification will change from: PKG-0012 to: PKG-0894

The packaging material will change from PVC clamshell tray to plastic shipping tray
