

Information Note

FTL410Qx3C Second sourcing

Scope of Change Notification

This info note is to inform customers that Finisar is introducing second source vendors for PCB, PCBA and Lens.

The Finisar Part Numbers affected by this PCN are:

FTL410Qx3C-xx

Reason for Change

Add additional component sources to improve the robustness of the supply chain.

Detailed Description of Change

Finisar will implement a second source supplier for the following components; PCB, PCBA, Lens. No change will be made to the design or specifications of any of these components. These components are all true drop-in replacements, and have all passed Reliability and PVT.

Implementation Date

Production shipments of modules with a new component source will be implemented as a rolling change and begin approximately 30 days after the date of this Info Note.
