Subject: End of Life Notification and Product replacement

Dear Telit Partner,

Telit would like to inform about the new update in the Jupiter JN3 (Flash) family.

The update consists in a minor hardware revision to improve the yield in production with no change to the software. Following the Telit family's concept and long-term availability commitment to our customers, Telit guarantees that this change will not affect your current design and hereby declare the new variants will be fully compatible with the old ones.

The EOL P/Ns and their replacements are listed below:

Product Name	Description	EOL P/N	Replacement P/N
JN3	Flash 4800, T&R	J-N3-B3E5-LR	J-N3-B3G7-MR
	Flash 4800 Tray	J-N3-B3E5-LY	J-N3-B3G7-MY
	Flash 9600, T&R	J-N3-B3E6-LR	J-N3-B3G8-MR
	Flash 9600 Tray	J-N3-B3E6-LY	J-N3-B3G8-MY

The old variants will remain in production for a while for a smooth transition to the new generation and will be phased out with the following schedule:

- **Build To Order term: August 1st**
From this date the product is available upon firm order, (not cancellable and not re-schedulable)
- **Last Buy Order term: September 30th, 2017**
Orders will only be confirmed till this date. Later orders for the affected products might be accepted upon availability on the product parts
- **Last Shipment term: Dec 31st, 2017**
Last shipping date that can be requested for scheduled orders, which were placed before Last Buy Order Term
- **End of Maintenance term: Dec 1st, 2018**
TTSC and Telit R&D will no longer provide support on the product. From the date of this notice, Telit can no longer provide additional maintenance software releases for the affected EoL P/Ns.

For any additional information regarding this notice, please contact your Regional Sales Director.

Best regards,

Marco Contento
Head of Product Management
Telit Communications S.p.A.
