ATTN: Quality/Purchasing Manager

**Subject:** Product Discontinuance Notice

**PCN #:** PCN-01034

Dear Valued Customer:

In accordance with MACOM Technology Solutions' customer product discontinuance policy, this communication is to inform you that MACOM Technology Solutions is discontinuing the part number(s) listed below. The reason for discontinuance is due to lack of demand. No replacement part number is anticipated at this time. You are receiving this notification because you have purchased one or more of the following part numbers in the past two years.

**MACOM Part Numbers:** see attached list on the next page(s).

We are offering an opportunity to place last time buy orders for these products until current inventory is exhausted. Orders must be received by November 18<sup>th</sup>, 2017 with delivery scheduled by May 18<sup>th</sup>, 2018. Please be noted products ordered through LTB will be manufactured in Hana Semiconductor (Ayutthaya) Co., Ltd in Ayutthaya, Thailand, a fully qualified MACOM subcontractor assembly house.

Please contact your local sales representative if you have any questions or require additional information.

Sincerely,

**Zhuyi Wang**  
Principal Quality Assurance Engineer  
MACOM Technology Solutions, Inc.

**MACOM Part Numbers Affected by This Change**

Affected MACOM Products	Description
MAPPST0004	Pallet, L-band
PH8929	Si power transistor, S-band, hermetic package
PH8930	Si power transistor, S-band, hermetic package
PH8931	Si power transistor, S-band, hermetic package
MAPH-008780-000000	Si power transistor, L-band, hermetic package
MAPH-011002-000000	Si power transistor, L-band, hermetic package
MAPHST0032	Si power transistor, L-band, hermetic package
MAPHST0033	Si power transistor, L-band, hermetic package
MAPKST0009	Paired Si power transistor, 30MHz, non-hermetic package
MAPKST0012	Si power transistor, 500MHz, non-hermetic package
MAPL-000817-012CPC	Si power transistor, L-band, non-hermetic package
PH8909	Si power transistor, S-band, hermetic package
PH8929	Si power transistor, S-band, hermetic package
PH8930	Si power transistor, S-band, hermetic package
PH8931	Si power transistor, S-band, hermetic package
PH9008	Si power transistor, L-band, hermetic package
PH9034	Si power transistor, L-band, hermetic package
PH9096	Si power transistor, L-band, hermetic package
PH9046	Si power transistor, L-band, hermetic package
PH8890	Si power transistor, S-band, hermetic package
