<b>Section 2 - Details of Change</b>					
Change Description:					
<p><b>Attention Customers.</b></p> <p>The black plastic material used for the push buttons for the 446 / 447/ 448 series products has been discontinued by the manufacturer.</p> <p>E-T-A Circuit Breakers will change the push button to a very dark green color which is available and with the identical technical characteristics. This is a very subtle color change. Please see picture attached.</p> <p>The fit, form and function of the circuit breakers will not change.</p> <p>Production will begin to use the dark green material at the end of October 2021.</p> <p>Please contact me with any questions.</p> <p>Thank you,</p> <p>Douglas Nicklaus            QA Engineer</p>
