Product Change Notification

Date: Feb. 9th, 2015

Dear Valued Customer,

Thank you for choosing KYOCERA as your LCD solution provider. We appreciate the opportunity to support your business. This letter is to inform you of a change on some of our 5.7" and 6.5" TFT LCDs. Please kindly refer the details below:

1. Product:

T-55265xxxx, T-55520xxxxx, T-55548xxxxx, T-55620xxxx, T-51750xxxxx, and T-55619xxxxxx

2. Reason of ECN:

Last year we moved the production of above product from our Thailand factory to Japan factory. Over the past year great effort has been made to increase the Thailand factory capacity and, as a result, we decide to move the above product's production back to Thailand factory.

- There is no component change. Part number and spec will remain the same.
- The country of origin label will be changed from "Made in Japan" to "Made in Thailand".
- The packing will change back to previous Thailand package.
- For 5.7", the box qty will change from 24pcs/ box to 20pcs / box

3. Schedule:

Please refer next page table for detail schedule.

Thank you in advance for your understanding and your cooperation. If you have any questions, please contact your KYOCERA sales representative.

Sincerely yours,
