ATTN: Quality/Purchasing Manager

Subject: Addition of second source of supply

PCN #: PCN-01408

Dear Valued Customer:

The goal of MACOM Technology Solutions is to continually deliver high quality products and services that meet our customers' needs. We strive to offer products that are industry leading in terms of performance, delivery, safety and value.

In accordance with these goals, this communication is to inform you that MACOM is adding an internal capability as a second source of supply for the octo bridge quad diode used in the following devices.

Qualification testing and electrical characterization have been completed. There will be no impact to Form, Fit, Function or Reliability.

| | |
|--------------------|-------------------|
| MAUC-010654-SFD25N | Frequency doubler |
| SFD25H | Frequency doubler |
| CSFD25H | Frequency doubler |
| FD25H | Frequency doubler |
| FD25HC-1 | Frequency doubler |
| SM5TH | Mixer |
| MAMX-010088-M8THDD | Mixer |

You are receiving this notice because you have purchased one or more of these products in the past two years.

Please contact your local sales representative if you have any questions or require additional information.

Sincerely,

Jeff Maeda
