**DESCRIPTION OF CHANGE: (Required)**

Pan-Net Patch Cords - Packaging Change

Existing copper patch cords lines are changing as part of the Panduit Corp effort to prioritize environment conciousness and sustainability. The Network Infrastructure Enterprise team is reducing single-use plastic packaging consumption for copper patch cord products and replacing materials with flag labels. Executed as a running change across the patch cord product offering, over the second half of 2022 no changes to part numbers are expected.
