After Change

Overview Description of Change

- Due to OEM increase in product, we are experiencing extremely high demand beyond our capacity to respond within lead time. Molex is expediting capacity tooling to increase output.
- The additional tooling will be qualified and production run in Molex Chengdu.
- "No impact to fit, form, function".
- These part numbers are Molex proprietary designs, therefore considered catalog/general market product.
- Part Number Impact: see attached impacted parts list.
- PPAP will be available upon request beginning 23-Jun-2022. Request for PPAP must occur by 23-Jun-2022. Submissions must not occur without request.
 - If PPAP requested, disposition response required within 5 days of submit date or it will be considered approved.
 - If no PPAP requested by 23-Jun-2022, the PPAP will be considered approved.
