

October 15, 2012

To whom it may concern,

Subject: Product obsolescence

Marktech has announced the end of life for the following Yellow LED Visible Emitter products:

MTPS9059MC
MTPS9059WC

This EOL notice is effective October 15, 2012 due to die sourcing issues, the product is obsolete with no substitute. There are no last-time buy opportunities.

We apologize for the inconvenience.

Sincerely,

Marktech Optoelectronics
