

Specification Sheet

Part Number: TAG22J-994

Ink Jet Label, Self-Laminating, 1.0" x .5" x 1.63", 32 Per Sheet, PET, White, 1000/pkg

Article Number

593-22994

Type

TAG22J

Color

White (WH)

Features & Benefits

- HellermannTyton Ink Jet labels are sheet fed for easy loading and fast printing.
- Ink Jet labels are made with high temperature materials and adhesives so that they will not be affected by the high heat of laser printing.
- Ink Jet labels are printable using toner for long term UV exposure.
- Ink Jet labels come in a variety of label sizes and types to fit most applications.

Quantity Per

pack

Product Description

HellermannTyton's ink jet self-laminating labels are smear resistant, allowing them to be handled immediately. The labels are made of a heat resistant 1mm polyester film with a strong acrylic based adhesive. The printable area is a special ink-receptive film that absorbs the ink as it is printed on an ink jet printer. Each sheet is smaller than the standard letter size (8.5" x 11".) Less waste results from the smaller sheet size because the user can print smaller quantities at one time. HellermannTyton's ink jet self laminating labels are also more convenient to store.
